Subject: Allocation of Supervisor to the successful Pre-Ph.D. course work students

Dear Sir/Madam,

I have been directed by Hon'ble Vice-Chancellor to convey to you the process of allocation of supervisors to those students who have successfully completed the Pre-Ph.D. course. The University has declared the result of Pre-Ph.D. course work exam recently and it is available on the University website. Article 8.06 of the ordinance 2013 says the following:

"8.06 The allocation of the supervisor for an eligible student shall be decided by the Counseling Committee comprising of – the Dean or the Director of Institute, Head of the Department and prospective Supervisors, in a formal manner depending on the number of students per faculty member, the available specialization among the faculty Supervisors, and the research interest of the student as indicated during the interview by the candidate."

According to this, a Counseling Committee has to be formed in each research centre/Institute, comprising of:

1. The Dean or the Director of the Institute
2. Head of the Department
3. Prospective Supervisors

In case of Colleges, as there is no post of Director, Principal will be the member of the Committee.

The above mentioned committee formation needs your immediate kind attention as the RDCs of the University are to be called for the consideration of the synopsis of research students in the near future.

With kind regards

Prof. R.K.S. Dhakarey
Dean, Research
Dr. B.R. Ambedkar University
